**Why do we do The Green St. Louis Machine?**

Food apartheid in St. Louis contributes to high rates of food insecurity, childhood obesity, diabetes, and heart disease. Thousands of children live in areas with little to no access to quality grocery stores, leaving

Many of these children have never tasted or even learned the names of common fruits and vegetables. This lack of exposure to fresh, nutritious food affects their school

YOU have the power to make a difference in their lives today — paving the way for healthier futures! Through our program, students grow, harvest, prepare,

families with limited options for fresh, nutritious food. As a result, processed and unhealthy foods have become a regular part of their lifestyle.

performance, mental outlook, and overall well-being. Over time, poor nutrition increases their risk of developing diabetes, heart disease, and other serious health issues later in life.

and enjoy fresh, nutritious foods, fostering a sense of ownership and empowerment over their own food choices. Together, we can transform communities and break the cycle of poor nutrition. Join us in our mission! Donate or volunteer today to help us create a healthier, brighter future for our children.

## AMERICORPS VISTA!

### THREE POSITIONS ARE STILL OPEN!!

We want to let you know ASAP that Green St. Louis Machine has 2 AmeriCorps VISTA positions OPEN! Could you suggest contacts/people we could forward this to such as colleagues in the organizations, schools and universities you work with?

[M:STL- Green STL Machine Farmer in Chief VISTA](#)

## M:STL- Green STL Machine Outreach, Capacity & Market VISTA

These positions could be good for high school graduates or college students taking a gap year to explore career path opportunities or to gain resume-building experiences and knowledge to prepare them for applying for good jobs.....or even early retirees or people in-between jobs or careers! Full health coverage and child care is certainly appealing, as is a monthly stipend of over \$1,800!  
So please help us with these great opportunities and call/text with any questions
